Dear Friends and Families of the German School of Naperville,

We want to thank you for your continued participation of German language studies here at the Naperville Cultural Center.

One of the fundamental goals of the Naperville Cultural Center and the German School of Naperville is to keep prices affordable for all programs that preserve cultural heritage, celebrate cultural traditions and promote language studies regardless of personal economic situations throughout the year. In the future we plan to be able to have a German arts program, literature program, film showings and a library of resources available for little or no cost.

In order to continue working towards these goals we are asking you as patrons to make a donation today directly to the German School of Naperville at the Naperville Cultural Center. These donations will be kept in a special fund in order to achieve these extra enrichment goals and to help pay for regular maintenance of classroom supplies.

Many employers also offer matching funds programs to 501(c)(3) designated not-for-profit organizations. The Naperville Cultural Center is a 501(c)(3) designated not-for-profit organization and 100% of your donations or your company donations are tax deductible – your tuition is not.

Help keep the cost of programs at a minimum - Please make your donation today!

Sincerely,

The German School of Naperville Director & Staff  
The Naperville Cultural Center
